

**Gborho Ahmuyan Assoc. Inc.**  
**Scholarship Program**  
**Policies, Guidelines and Procedures**

**Description:**

The Ahmuyan Scholarship Program is a financial assistance program to assist in providing high-quality opportunities for Gborho citizens (students) to meet their educational goals which will translate in attaining the development goals of Ahmuyan for the Gborho Area.

**Purpose:**

To establish uniform guidelines for the effective management and accountability of the Gborho Ahmuyan Scholarship Program.

**Policies:**

- 1.1 Gborho Ahmuyan will implement and manage a scholarship program to address the educational needs of Gborho citizens. This program is part of Ahmuyan endeavors to meet the developmental needs of the Gborho Area in the areas of Education, Healthcare and Economic development as envisioned in Ahmuyan Strategic Action plan.
- 1.2 Ahmuyan Education Committee is responsible for the establishment of guidelines which will control and monitor the scholarship program.
- 1.3 All beneficiaries of the scholarship program will comply with the policies and guidelines as specified in this document.

**Guidelines:**

- 2.1 Ahmuyan Scholarship Program is focused on three disciplines: Education (Teaching), Healthcare (Nursing) and Agriculture which Ahmuyan believes will provide immediate benefits to the Gborho Area. Other areas of discipline shall be considered later as a long-term plan. To be considered for sponsorship therefore, applicants must have the desire to pursue the disciplines listed above.
- 2.2 Applicant must be at least a high school graduate.
- 2.3 To continue to benefit from the sponsorship, a sponsored student must maintain a GPA that is required by the school in which the recipient is enrolled.

- 2.4 Any applicant considered for sponsorship will have to sign a binding contract with Ahmuyan to render service(s) such as teaching for a specified period upon the completion his or her course of study for which the sponsorship was provided. The final precondition for receiving the scholarship will be the signing of the contract to perform services for a specified period after the required course of study.

**Procedures:**

- 3.1 Ahmuyan Education Committee will review all applications for scholarship with consideration in the following order: 1. paying particular attention to the interest of the Gborho Area 2. Considering those who have in the past, rendered voluntary services to the Gborho Area such as teaching and 3. Needy Gborho citizens.
- 3.2 The Education Committee will shortlist the applicants who have been considered and submit said list to the Ahmuyan Administration which will inform the various chapters.
- 3.3 When the applicant is approved, Ahmuyan will then contract with said applicant, specifying the services to be rendered to the Gborho Area and the specified period in return for receiving the scholarship.
- 3.4 The Education Committee will conduct periodic evaluations of the sponsored students' progress and make appropriate recommendations for remedial action.
